Based on the credits and notional hours of this qualification, the minimum duration is two (2) semesters over a period of one (1) year, and the maximum duration is three (3) years. For more information see, Table overleaf.

### **What is the Purpose of the Qualification?**

The Higher Certificate in Travel & Tourism Management Practice offers a considered and thoughtful entry-level higher education qualification with a strong industry/vocational oriented focus. This qualification is aimed at learners who wish to pursue a career in the subfield of Tourism and Travel Services Management. Tourism and Travel Consultants/Operators are increasingly required to access and consolidate, or to generate, information at both theoretical and practical levels in order to produce and deliver a bundle of services and outputs. Therefore, the skills, knowledge, attitudes and values required by practitioners are captured in this qualification while remaining, to a certain degree a generalist programme for the field of practice rather than a specialist qualification, by offering good breadth on the important topics combined with appropriate occupational and professional depth for its intended purpose. The qualification provides exciting career opportunities such as:

- Reservation agents for water, air, and surface travel
- Junior leisure facilities manager for theme parks, cinemas, etc.
- Junior Marketers/Key Account Assistant
- Booking/Ticket Agent
- Customer Relationship Agent
- Travel Consultant
- Front Office Assistant/Manager
- Tourism Sales and Support
- Tourism Guide
- Assistant or Advisor/Consultant in Marketing of Services
- Assistant Travel and Tourism Operator

On completion of the programme, graduates will have the necessary knowledge and practical skills required to:

### **What do I require to Pass a Module?**

Students will need an overall mark of fifty percent (50%) to pass a module. Students who do not achieve a pass mark in a summative assessment (SA1 and/or SA2) may be provided one (1) further opportunity to retake (supplement) the summative assessment at an additional re-assessment fee.

### **How is the Overall Mark Calculated?**

The overall mark will be calculated from the student's performance on formative assessments (FA's) and summative assessments (SA's).

### **What is the Curriculum and Fee?**

The Boston Higher Certificate in Travel & Tourism Management Practice programme consists of nine (9) compulsory modules. See Table overleaf. For more information, see pages 28 to 29 for the Catalogue Description of each module.

Visit your Support Centre to find out how you save up to a third of your fees as part of the Invest in SA Subsidy.

Prescribed textbooks are included in the fees.

### **How many modules can I take each semester?**

Minimum is one (1) module per semester; this will ensure students remain academically active. The maximum number of modules you can take in any one (1) semester is dependent on the number of credits per module. It is recommended for full-time working adults to consider completing the programme in a duration exceeding the minimum period of twelve (12) months, which implies electing to take fewer modules per semester.

### **What are the assessment strategies?**

See Table overleaf for information on the assessment strategy per module and reference the key list below to read about each assessment strategy relevant to your programme, in detail.

**Assessment Strategy C (ASC):** Formative assessments (FA1 and FA2), also known as quizzes, will count fifty percent (50%) – twenty five percent (25%) each - towards the overall mark. A summative assessment in the form of a final exam (SA1), will count fifty percent (50%) towards the overall mark.

**Due Performance (DP):** This module is not weighted nor credit-bearing. However, the minimum hours required in continuous professional and career development must be completed before progressing to the next year of study or certification. A summative assessment in the form of reflective essay is required.

**Assessment Strategy 1 (AS1):** The formative assessment 1 (FA1), formative assessment 2 (FA2), formative assessment 3 (FA3) and summative assessment 1 (SA1), all in the form of practical assessments, will each count twenty five percent (25%) towards the overall mark.

**Assessment Strategy 2 (AS2):** The formative assessment (FA1), also known as an assignment or test, will count fifty percent (50%) towards the overall mark. The summative assessment in the form of a final exam or capstone project (SA1), will count fifty percent (50%).

**Assessment Strategy 3 (AS3):** The formative assessment (FA1), also known as an assignment or test, will count forty percent (40%) towards the overall mark. Summative assessments in the form of a final exam or capstone project (SA1), will count fifty percent (50%), and a research or reflective essay (SA2) will count ten percent (10%) towards the overall mark.

**Assessment Strategy 4 (AS4):** Formative assessments (FA1 and FA2), also known as assignments or tests, will count forty percent (40%) - twenty percent (20%) each - towards the overall mark. Summative assessments in the form of a final exam or capstone project (SA1), will count fifty percent (50%), and a research or reflective essay (SA2) will count ten percent (10%) towards the overall mark.

**Assessment Strategy 5 (AS5):** Formative assessments (FA1 and FA2), also known as assignments or tests, will count thirty percent (30%) - fifteen percent (15%) each - towards the overall mark. Summative assessments in the form of a final exam or capstone project (SA1), will count sixty percent (60%), and a research or reflective essay (SA2) will count ten percent (10%) towards the overall mark.

**Assessment Strategy 6 (AS6):** Formative Assessments (FA1 & FA2), which may take the form of assignments, research essays or tests will count forty percent (40%) – twenty percent (20%) each – towards the overall mark. Summative Assessments (SA1 & SA2), which may take the form of capstone projects, tasks, presentations, written or oral exams, or a research proposal will count sixty percent (60%) – thirty percent (30%) each – towards the overall mark.

**Assessment Strategy W (ASW):** Formative assessments (FA1 and FA2), also known as assignments, will count forty percent (40%) - twenty percent (20%) each - towards the overall mark.
